

# Summer means exciting changes at Van Dyke Gas

You asked and Van Dyke Gas listened. Exciting changes are underway this summer — we're installing a new computer system to serve you better! With technology improving by the minute, upgrading our software system will help make using propane even easier!

Of primary benefit to you will be the ability to **make payments online at your convenience, or you may choose to have payments automatically withdrawn from your bank or credit card account.**

Your meter ticket will remain the same but you will notice that your statement has a new look. Please call us if you have any questions.

## Save 15¢ per gallon with Routed Delivery service

At Van Dyke Gas, we are always evaluating ways to improve efficiency and keep costs at a minimum. And, our **Routed Delivery** service does a great job of scheduling deliveries as efficiently as possible. **You'll save 10¢ per gallon by becoming a member of Routed Delivery. And, you can enjoy an additional 5¢ per gallon savings when invoices are paid within seven (7) days. Save 15¢ per gallon!**

Our Routed Delivery system tracks usage history and weather conditions to schedule deliveries when needed. When a tank reads 20 percent or below, a delivery is scheduled. This computer tracking system makes delivery routes more efficient, eliminating unnecessary fuel, labor, equipment, and other costs — savings we can pass along to you!

*Call today for more information.*

## Get 50 gallons FREE!

At Van Dyke Gas, you are our most valuable asset. If you know someone who would enjoy exceptional propane service, please let us know.

We'll credit your account with 50 FREE gallons of propane for each qualifying referral who becomes a Van Dyke Gas customer. There is no limit on referral account credits, so you can enjoy quite a substantial savings on your account.

Please call for more information.

### WELCOME

*Dear Friends,*

Thank you for helping Van Dyke Gas celebrate more than 40 years in business! It's loyal customers like you who are a significant reason for our success. For that we are truly grateful!

We are a locally owned and operated family business. At Van Dyke Gas, we pride ourselves on being reliable, dependable and customer focused. For worry-free, quality propane service, you can always count on our team of professionals at Van Dyke Gas.

When Van Dyke Gas first opened more than 40 years ago, we never imagined we'd become the area's premier propane provider. Our goal was, and always has been, to provide excellent customer service, value and reliability to every customer. And, more than 40 years later, that's still our goal!

*Thank you for 40 wonderful years in business!* Please let us know if there are additional ways we may serve you.

### IN THIS ISSUE

**page 2** Save 15¢ per gallon with Routed Delivery program

**page 2** Enjoy 50 FREE gallons with Referral Rewards...

## Enjoy more peace of mind...

Traditionally, most people have paid for their propane as it is delivered. We understand that this can sometimes be a hassle.

It's kind of like getting that bill for six months of car insurance. Have you ever wondered why you couldn't make equal monthly payments? Wouldn't it make planning a little easier?

## Budget Pay Plan

Our **Budget Pay Plan** is designed to do just that. **Payments are based on past usage and historical weather data to determine your equal monthly payment amount.**

You enjoy more control over your energy spending with 11 equal monthly payments. Van Dyke Gas delivers your fuel

automatically as part of our scheduled delivery route. We will monitor your account and adjust your payments accordingly, if needed. This will make your final payment approximately the same as your previous monthly payments. ***Make bill paying predictable and more convenient. Enrollment ends SOON! Call today and take advantage of Budget Pay.***

## Pre-Buy Plan

Pre-Buy is a convenient way to purchase propane when prices tend to be at their lowest, typically during the summer months. Pre-purchasing your propane guarantees your rate for the upcoming heating season. Gallons are paid for in advance and we make your deliveries automatically, as you need them throughout the year.

Pre-Buy gallons are on a first come, first served basis while supply is available. Call today to take advantage of these helpful programs.
